Non-Perishable Food & Coats Needed

Both Love Chapel and the Salvation Army food pantries are seeing a greater demand for ANY non-perishable food items. Salvation Army is in need of new or gently used coats. There is a bin in the foyer for donations, or you can drop off items at Regina Allman's home, 2629 17th Street. Many people have given donations to help with purchasing food items. This has been so helpful! Thank you for your giving spirit and helping those in need!

Faith After School News

Our afterschool students were excited to be back to Faith after break and are enjoying our weekly themes for activities. During January our weekly themes were Games, Music and Space. This short wintery week we explored many STEM activities. Our Afterschool families continue to be extremely grateful for a safe, fun and loving place for their children.

**Adult Bible Study & Sunday School –
Megumi Going will share with adults and children
about her senior project.**

Senior Project-Dental Supplies

Megumi Going is a senior at Columbus East HS who teaches about dental hygiene here in Columbus with the C4 program at East. Megumi will visit our Sunday School & Adult Bible Study next Sunday, Feb. 8, to share more about her senior project. She is asking Columbus families to donate toothbrushes, toothpaste, and floss and all donations need to be received by Sunday, March 8.

During Spring Break each year, St. Peter's Lutheran Church goes on an annual mission trip to Santiago Zamora, Guatemala. Megumi will add her passion for dentistry to the mission trip ministry, and she will be speaking in school classrooms, Sunday School classes, Connect Groups, and Bible studies about poverty in Guatemala and its impact on dental health. During the mission trip, youth group prepares a Vacation Bible School program for the children of the village. This year it has been arranged for Megumi to go to local village schools to teach about dental hygiene.

Please pray that many donations of dental supplies will be collected and that Megumi will teach the Guatemalan children dental health along with the importance of their health in God's eyes as His beloved creations. She chose *Psalm 139:14* as her theme verse because *“although I am interested in serving physically, helping bodies to be healthy, I wanted to point out how wonderful our bodies are. I wanted to tie into the Gospel, not just a verse about the body, and this verse talks about God’s works, so can connect to His work of salvation, too.”*

Re:Vitality

As of last weekend, we have completed the Re:Vitality Bible Study Sessions. It has been a few months since we began and a number of people have requested that we have a recap of the Bible Study sessions, so we can all begin the Strategic planning Workshops on the same page together. During our Adult Bible Study this morning, I will briefly recap the Bible study sessions, as we joyfully look forward to what our Lord has in store for us as we plan for the future together in Christ!
