Adopt a Garden Bed

See the handout to Adopt a Garden Bed to maintain. Adopting a bed includes keeping up with weeds, fluffing up mulch, very occasional watering (*maybe*). Turn your filled out form to Bill Schnackel or put in his church mailbox.

The trustees have completed several projects

- Working on making repairs to the playground fence.
- Making repairs to the cross in the sanctuary
- Working with others to mulch around the magnolias and the maple trees
- Contracted with a tree service to remove 5 trees in the "pine grove".
- Treating weeds in the lawn and paved areas.
- Changing out some of the older battery-operated smoke detectors.

If you are interested in helping install the sail over the playground, please contact Tom Rafferty. Mulch is on site, and several maples still need mulch. *See chart at entrance.*

Contact Bill Schnackel (765-490-0789) with any questions.

—Blessings to all. Church Trustees

Graduate Information

If you have someone graduating from either High School or College, please send the church office information about the graduate: their name, what school they are graduating from and their future plans and a good recent picture of the graduate. Contact the church office at office@faithontheweb.org.

Preschool News

This week was filled with excitement as the kids put the finishing touches on their end-of-year celebrations and graduation programs! Hearing their voices and seeing their bright smiles was the perfect reminder of another incredible year of growth. We also want to send a heartfelt thank you to our wonderful families and committee for showering us with gifts and treats for Teacher Appreciation Week—we feel truly blessed!

Farewell to the Carmickle Family

At the end of the Service today we will have a Rite of Farewell for the Carmickle Family as they finish their preparations to move to Ohio. Please make sure to wish them well, praying that our Lord would keep these blessed parents & children safe in their travels, that He grant them a safe-landing and establish them well. We will miss them, yet, by God's grace, we should anticipate seeing them again in the future.

Re:Vitality Workshop #3—"God's Provision and God's Mission,"

For those who missed it, on Saturday, May 16 at 12p, Pastor Fitch will again facilitate where we will take inventory of the blessed resources that God has invested in our congregation. Identifying our resources will help to provide us important insight into God's Mission for us here at Faith. We will watch a 9 minute video, spend 10 minutes looking at a case-study, and spend time in a small-group activity before coming together as a large-group to discuss the results from the small-group activity. Please participate in this workshop, even if you haven't been to either of the previous two!

have any questions, talk to Nancy Jeffrey.

Because I live, you also will live. In that day you will know that I am in my Father, and you in me, and I in you. Whoever has my commandments and keeps them, he it is who loves me. And he who loves me will be loved by my Father, and I will love him and manifest myself to him." —John 14

If you love me,

you will keep
my commandments.

Preschool Committee

At the end of the school year in May, there will be 2 positions open on the Preschool Committee. This committee works closely with the Preschool leadership, and a heart for working with children is important. If you are interested in serving on this committee, please talk with Susan Waltz.

Internet and Technology help

The church is also in need of additional people to help learn the sound board and also help with IT for the church. If you are interested in serving as an IT person, please see Pastor Fitch.

Just Friends Wish List

Just Friends Adult Day Services is a fun place for older individuals to stay active, make new friends and learn new things. There is a full-time nursing staff, interaction with people of all ages, community trips and events, daily activities and door-to-door transportation. They have created a wish list of food and cleaning items for donation.

In the foyer, there are copies of the wish list, and a box for donations. These items help to keep Just Friends running smoothly, so any donations you are able to make will be greatly appreciated.

—Mercy Ministry

Non-perishable Food Items Needed

The Salvation Army food pantry is seeing a greater demand for ANY non-perishable food items. (no produce please) If you are able to help donate non-perishable food, there is a bin in the foyer for donations, or you can drop off items at Regina Allman's home, 2629 17th Street. Many people have given donations to help with purchasing food items. This has been so helpful! Thank you for your giving spirit and helping those in need!
