Easter Breakfast

Each Church Elder will be contacting their Care Group members about bringing items to share for the Easter Breakfast at 9a on April 5. If you sign up to bring some type of casserole, please bring it already baked. If you are coming to the early service, bring your casserole to the kitchen and our kitchen hosts will keep it warm. At 8⁴⁵a the kitchen hosts will put out the warm food for breakfast to begin. There will also be fruit, milk, juice and coffee. Tables will be set up on Saturday morning, April 4.

Preschool News

The Pre-K class were explorers this week and discovered a new animal species! We spent the week creating the animal with recycled materials. Thank you to everyone who donated recycled items to the preschool! Our animals will be displayed during graduation week in May.

The children are also doing a great job singing the songs with Miss Debbie during chapel time. Many of the songs will be featured during graduation, so this allows them to practice the songs as they worship during Lent!

 Stuffing Easter Eggs**

Candy Donations & Help Needed

There is a donation box in the Narthex for collecting small individually wrapped candy to fill Easter eggs. Please no gum or unwrapped candy. On Sunday, March 22 during the Sunday School hour, we need help stuffing plastic Easter eggs for both the Sunday School Easter egg hunt, and also for the Preschool Easter egg hunt. We need to fill lots of eggs, so we will need lots of hands to help! The church Easter Egg hunt will be on Sunday, March 29 during the Sunday School hour.

No Wednesday 11³⁰a Service-March 18

During Spring Break week, there will not be an 11³⁰a Wednesday worship service. There will be a Wednesday 11³⁰a worship on March 25. The early worship will be planned for the Preschool children, but all are welcome! Come by at lunch time or in the evening, and let us join together in a time of remembrance and repentance, as we move through the season of Lent.

Wednesday Lenten Meals & Worship

During the season of Lent, we will have fellowship meals before the Wednesday evening worship services. The suppers will be served from 5¹⁵p-6⁰⁰p, with worship following at 6¹⁵p. Dates for Lent Suppers and Worship are:

March 18, 25

Those preparing the food would appreciate knowing how many will attend the meals, so please write the date you will attend, and indicate how many will attend on your weekly worship attendance card, and place it in the offering plate. Looking forward to a good time of fellowship, reflection and worship.

Urgent-Food Needed

The Salvation Army food pantry is seeing a greater demand for ANY non-perishable food items. (no produce please) If you are able to help donate non-perishable food, there is a bin in the foyer for donations, or you can drop off items at Regina

Allman's home, 2629 17th Street. Many people have given donations to help with purchasing food items. This has been so helpful! Thank you for your giving spirit and helping those in need!

Thank You!

A huge thank you to everyone who donated dental hygiene items toward Megumi Going's Mission trip. May our Lord's gifts given through you be a wonderful blessing to all those who receive them!

A hearty thank you to Ricky Fitch for your solo-offering of "Green Hill" (a 'cover' of an old hymn) among us at this past Lenten Midweek service.

[Jesus said] "As long as I am in the world, I am the light of the world." Having said these things, he spit on the ground and made mud with the saliva. Then he anointed the man's eyes with the mud and said to him, "Go, wash in the pool of Siloam" (which means Sent). So he went and washed and came back seeing." —John 9

Re:Vitality Update

Thank you to everyone who participated in SGM Workshop Session #1 - 'Overview of Strategic Planning' on Sunday, February 22. We had ~37(!) people in attendance, with some great large-group-discussions about similarities and differences between the Re:Vitality strategic planning approach and that of secular organizations, including some comparison to strategic planning we have done as a congregation in the past. We also discussed why it is so important for congregations to have a single agreed upon approach to developing a Strategic Ministry Plan.

On Sunday, March 29, we will hold SGM Workshop Session #2 - "Building Consensus", as building consensus is an important part of developing the Strategic Ministry Plan, not something to achieve after the plan is put together. Once again we will watch a Video and look at a Case Study, before having a small-group activity with a large-group discussion to follow, and an individual activity with a large-group discussion to follow.

If you were unable to participate in Session #1, please participate in Session #2 anyway! I can catch-people-up before/after sessions. If you're skeptical, that's okay! We need your input too!! In fact, apprehension in the face of possible changes can actually be a great blessing, as we will discuss in Session #2.

Thank you all for your participation in this blessed endeavor as we continue to seek our Lord, and where He is leading us together as His people at Faith Lutheran Church!

"Trust in the LORD with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him, and He will make straight your paths." (Proverbs 3:5-6)

—Pastor Fitch

Thank You!

I want to sincerely thank you for supporting my senior project and for donating dental supplies for my mission trip to Guatemala. Your generosity is such a blessing! Thank you for helping me to be Jesus' hands and feet to the children in Guatemala. I have seen the Lord's faithfulness in the way this project has come together. Thank you for trusting me and supporting this mission! I am so grateful and excited to see how the Lord uses all of these dental supplies to make a difference.

—With heartfelt thanks, Meg Going
