## Marriage Retreat & Renewal Opportunity

Today, there are a lot of conflicting ideas about what marriage is and isn't. Love. Adoption. Engagement. Children. Divorce. Wedding. Civil union. Single living. Widowhood. Separation. Chastity. Until death do us part. What does it all mean? Are there any concrete answers, or is it all just opinion?

Thankfully, God has given us the reliable guide to help us navigate through the confusion: His Holy Word. As we gather together for this retreat, we will mine the riches of Bible texts speaking to God's design for the holy institution of marriage. Through thought-provoking questions, we will explore, learn & grow together in our appreciation of Christian marriage. Video vignettes of real couples and singles will foster meaningful and fruitful discussions about the challenges and joys of married—and single—living.

A member-donor has generously given Faith a Camp Lakeview Village Cluster Rental (with space for up to 26 people to stay on site!) the weekend of July 24-26. We are NOT limited in attendees, but in beds for those who wish to stay overnight at the Lakeview Villages. Any Married Couples or 'Singles' interested should talk to Pastor Fitch.

## Time to Celebrate

At the Voter's Meeting in June, the trustees shared that it had received a proposal to clean the organ and install a MIDI interface which will allow for hymns to either be prerecorded or for the organ to be played using technology provided through LCMS. The cost for both projects is projected at about \$15,000. The voter's agreed to go ahead with both projects which will be funded by the Organ Repair Fund. Gary Miller, Miller Organs, visited Faith on July 1 to complete a final inspection of the organ before going ahead with ordering the parts and beginning the cleaning process. Work will begin around August 1 and should be completed in 4 to 6 weeks. It may be possible to use the organ for the weekly services although there is the possibility that it may not be usable on one Sunday while the project is taking place. The trustees will keep everyone updated as the process progresses. Questions? Please contact Bill Schnackel. (765) 490-0789.

## Re:Vitality - Identifying Core Values

This weekend, after Sunday Divine Service, we will be gathering to finish Identifying/ Assessing our Core Values as a congregation, and we need as many of our members involved in this as possible, both to "Lighten the load," yet even more importantly, for the sake of the congregation's consensus and spiritual health. "I was glad when they said to me, 'Let us go to the house of the LORD!'" (Psalm 122:1)

## Clarity Fundraiser Thank You!

Thank you to everyone who collected and donated money for the Clarity Baby Bottle fundraiser. If you haven't yet turned in your baby bottle, please do so as soon as possible. Once we know the total that was given, we'll share that information. Thank you again for your generosity!

## Preschool Committee

There is 1 position open on the Preschool Committee. This committee works closely with the Preschool leadership, and a heart for working with children is important. If you are interested in serving on this committee, please talk with Susan Waltz.

## Internet and Technology help

The church is also in need of additional people to help learn the sound board and also help with IT for the church. If you are interested in serving as an IT person, please see Pastor Fitch.

[Jesus said] Come to me, all who labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me, for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light. - *Matthew 11*
