## Let's Talk Stewardship . . . .

We usually conduct our stewardship campaign in September and October each year. In recent years our focus has been on time & talents. As we are currently focused on the Re:Vitality bible study, the Stewardship Committee will wait until the bible study wraps-up before distributing some form of time & talent survey. Truly each of us is ever-blessed in so many ways! Lord willing, our family at Faith will thrive in ministry together as we all join Him in His kingdom building efforts here.

In the mean-time, please thankfully & prayerfully consider giving back to the Lord now and for the new year of the many blessings He blessed you: talents & abilities, time that may be useful in ministry here at Faith, and even the financial gifts He's given you. God's Peace be with you.

—Bill Schnackel - Chair, Stewardship Committee

**Session #4 - "Strategic Planning as a First Article Gift- Provides Focus"**

Sunday, October 19, (and Mon, Oct.20; Wed, Oct. 22)

In Session #3 - "First Article Gifts", we discussed First Article gifts, those gifts God has entrusted to us, apart from Word and Sacrament. Strategic planning involves assessing the shape of the Body, taking stock of the gifts God has given to our congregation, and working together to understand and respond to God's purpose for us. Strategic planning is both a First Article gift and an effective way of making good use of First Article gifts.

In Session #4, we turn our attention to how "Strategic Planning as a First Article Gift - Provides Focus." Having a shared focus is important to any organization. Without one, people tend to go off and do whatever it is that they think is best or whatever is most appealing to them. Strategic planning guides us as a congregation through a process that helps us understand and agree upon the congregation's focus. With a clear focus, people are able to work together toward a common goal and run together with purpose.
