See Something / Say Something

In recent months, Faith has had 2 very large water bills. Both were the result of toilets not shutting off properly. Please help the trustees by reporting problems that need our attention - either a note on your weekly attendance card or by leaving a note at the church office. The trustees will also post a sheet on the bulletin board in the hallway across from the church office next to the posted council minutes. We appreciate your help. ~The Trustees

Career Inspiration Day

We have an exciting opportunity to inspire our preschoolers! On October 28th, we'll be hosting Career Inspiration Day for our students. We're looking for volunteers to share about their careers — your story could spark a child's dream! If you're interested in participating, please contact Leah in the office.

We're also seeking toys and manipulatives for our afterschool program, especially for our older Southside students. Items that encourage creativity, problem-solving, and active play are especially appreciated.

Thank you for your continued support in helping our programs grow and thrive!
