### Memorial Day Prayer

Lord God, you have sustained our nation in the past. We recall how many have given their lives for the cause of freedom. Men and women continue to sacrifice and serve in the armed forces. Today, we pause to reflect and honor those who gave or who continue to sacrifice so much in the defense of our freedom.

**We remember the great courage and selfless service of so many throughout history who have answered the call to serve. We remember their honorable sacrifice for the freedom of others. Comfort the families who mourn the loss of loved ones. Comfort also those who suffer permanent injuries as a result of serving our nation in the military.**

We remember with thankfulness the millions of Americans who give so generously of their life and labor in times of national conflict, particularly the family members of our soldiers, sailors, airmen, Marines and Coast Guard.

**We are grateful for the devotion and sacrifices of military families. Grant us the resources and willing hearts to support them.**

Gracious Lord, we ask for Your strength for our chaplains who serve in the wounded-warrior wards and in our military hospitals as they provide pastoral care to hurting and wounded veterans and their families.

**Lord, mend the wounds of all who suffer in body, mind or spirit. Grant their physicians knowledge and wisdom as they seek the best treatments for patients' suffering.**

God of mercy, grant patience and insight to our chaplains who serve in all branches of our armed forces. Only through Your sustaining love can they move out daily with confidence and joy. These and all things we ask through Your Son, Jesus Christ, our Lord, who lives and rules with you and the Holy Spirit, on God, now and forever. **Amen.**

# News and Notes

## Call Committee Update

The Faith Lutheran Pastoral Call Committee would like you to submit names of pastors that you feel would be a good fit for our congregation as we develop a list of potential candidates. Nominations to the committee will be kept anonymous and can be submitted [callcommittee@faithontheweb.org](mailto:callcommittee@faithontheweb.org) or you can drop a note in the collection plate or submit a name directly to the church office. Thank you for your prayerful consideration of this process.

A section called Pastor Search has been created on the church website. This will be where the Call Committee can update the congregation on the call process and pass along any other necessary information. Log into [faithontheweb.org](http://faithontheweb.org) and click on Pastor Search on the home page. There is a Congregational Survey on a blue page in the bulletin today. Please take time to prayerfully respond and fill out the survey and return it to the box in the entryway, or to the church office.

## Clarity Baby Bottle Donations

From Mother's Day to Father's Day, we will be taking donations by filling baby bottles with change and cash or checks, to support Clarity (*Pregnancy Care Center*) of South Central Indiana. Baby bottles are available on the table under the tv in the narthex. More important than anything else are your prayers. If you would like to be a part of the Clarity ministry as a volunteer, please call today for more information at 812-378-4114. Thank you for your continued support.

## Non-perishable Food Items Needed

Food insecurity has increased in our community, and both Love Chapel and the Salvation Army food pantry are seeing a greater demand for non-perishable food items. Please donate any non-perishable food items if you are able. There is a bin in the foyer for donations, or you can drop off items at Regina Allman's home, 2629 17<sup>th</sup> Street. Thank you for your giving spirit and helping those in need!

## Summer Camp News

Summer camps have started! This week's theme is books, and we are exploring a different book each day. So far this week, we have gone on a bear hunt, painted colorful rainbow fish using celery, played with the rainbow colored parachute, and made homemade play dough. Each day after lunch we have rest time, and the older kids get to watch a movie. We have enjoyed using the new spaces to spread out and have different activities. We are off to a good start, and are excited for next week when we explore space!

## 60<sup>th</sup> Anniversary & Building Dedication Celebration

Sunday, July 23 will be the special 60<sup>th</sup> Anniversary and Building Dedication Celebration. Worship will begin at 10a, followed by the new building dedication, a photo of the congregation and ending with a catered lunch. The Historical Committee would appreciate an RSVP, so please mark the form on the next page, tear it out and place it in the offering plate so the committee can get a count of people attending. Please return by June 15. You may also sign up on the church website at [faithontheweb.org](http://faithontheweb.org). If you have any questions, please contact Lindsey Murphy.

## Thank You, Thank You, Thank You...

First, a long overdue thank you for allowing me to serve as Head Trustee for the last several years (I have lost count). Plus, an extra thank you for trusting me to serve as the liaison between Faith, Halstead Architects and Force Construction for the construction project that began in May of 2023.

Second, a huge thank you to Tom Rafferty for agreeing to assume the responsibilities as Head Trustee effective January 1, 2023. I am most grateful that the other trustees with whom I worked in recent years agreed to continue on so that we can have a well-maintained facility.

My third thank you goes to the office staff for helping me in so many ways over the years – preparing documents, processing invoices, answering questions, receiving packages, the list goes on and on.

My fourth thank you is for those of you who have continued to pray for me since my diagnosis of Philadelphia CML, a rare form of leukemia found in my bone marrow. I have a great medical team and an incredible drug that is helping me deal with this rare disease. Many of you know that I am also fighting a huge mess involving the discs in my neck which are causing a great deal of pain in my right shoulder and arm. I am blessed with a great medical team committed to helping me get relief from constant pain while recognizing the fact that there may not be a surgical solution. In my view, the power of prayer is often underrated.

When Guna and I relocated to Nashville and became members at Faith in 2006, I don't think I had any idea what an important part of my life this church would become.

—Bill Schnackel

When the day of Pentecost arrived, they were all together in one place. And suddenly there came from heaven a sound like a mighty rushing wind, and it filled the entire house where they were sitting. And divided tongues as of fire appeared to them and rested on each one of them. And they were all filled with the Holy Spirit and began to speak in other tongues as the Spirit gave them utterance. —Paul, Acts 2
