PreSchool

On Wednesday, we welcomed special guests who shared about their professions. The children enjoyed learning, asking questions, and experiencing a morning full of fellowship and discovery. We continued the fun on Thursday and Friday when Our little ones came dressed as their future selves —doctors, teachers, firefighters, artists, and more! Their creativity and enthusiasm made these days truly memorable.

Pastor Fitch brought the story of Joshua and the walls of Jericho to life. The children built a wall, marched around it seven times, and blew their horns—an engaging way to remember this powerful lesson from Scripture. It was a week of imagination, learning, and faith-filled fun!

Donations Wanted:
We are still looking for new or gently used toys, games, and manipulatives to add to our Extended Care program. If you have items your family has outgrown, we would be grateful to give them a new home!
