Church Picnic

See Something / Say Something

In recent months, Faith has had 2 very large water bills. Both were the result of toilets not shutting off properly. Please help the trustees by reporting problems that need our attention - either a note on your weekly attendance card or by leaving a note at the church office. The trustees will also post a sheet on the bulletin board in the hallway across from the church office next to the posted council minutes. We appreciate your help. ~The Trustees

Noah's Ark

It must have been such a joyful week for the preschoolers—getting to hear Pastor Fitch share the story of Noah and God's promise, then bringing it to life by "filling the ark" with animals. That hands-on activity is such a beautiful way for little ones to connect with the story.

The Pre-K "M & P Bootcamp" was full of giggles and creativity! We made finger monkey puppets, and paired them with the playful song Five Little Monkeys. It was a wonderful way to help our students practice retelling stories while keeping them engaged.
