Re:Vitality - Identifying Core Values Continues this Sunday, June 14th

One of the most important steps in the Strategic Planning process is Identifying our Core Values as a congregation, and we need as many of our members involved in this as possible, both to "Lighten the load," yet even more importantly, for the sake of the congregation's consensus and spiritual health.

Before we can take our next step toward Strategic Planning, we need to categorize all 14 Core Values as Active or Aspirational, with ministries and activities related to each one. This helps us more clearly see "What and Who we are," setting a foundation for discussing our purpose & mission as a church, so that we can plan "What we're going to do."

We will continue the process of Identifying our congregation's Core Values on Sundays after Church (*June 14th and Sundays following @ 10:30-11:30am*) and Wednesdays @ 5:30-6:30pm (*June 17th and following*), until we have Identified all 14 Core Values. "I was glad when they said to me, 'Let us go to the house of the LORD!'" (Psalm 122:1) ~Pastor Fitch

Ladies Craft Club

There is a sign-up sheet for the next Ladies Craft Club on June 20 at 9a. They will be doing a special quilt project, and would like to know who can help! Contact Cindy Gommel or Nancy Jeffrey for more information.

Marriage Retreat Opportunity:

A member-donor has generously given Faith a Camp Lakeview Village Cluster Rental for up to 26 people on the weekend of July 24-26. After discussion with FLC Elders & Council, we thought that we could make excellent use of this gracious gift by holding a Marriage Retreat that weekend. If you and your spouse are interested, please talk to Pastor Fitch. Pastor Fitch is in the midst of lining-out details, so please keep your eyes peeled for more information in June.

Preschool Committee

There are 2 positions open on the Preschool Committee. This committee works closely with the Preschool leadership, and a heart for working with children is important. If you are interested in serving on this committee, please talk with Susan Waltz.

Internet and Technology help

The church is also in need of additional people to help learn the sound board and also help with IT for the church. If you are interested in serving as an IT person, please see Pastor Fitch.
