Children Singing Next Sunday May 3

The Sunday School children will be singing in worship on Sunday, May 3. Please come and join rehearsals each Sunday following snack time. We'd love to have as many children as possible!

Trustee Project Update:

During the last couple of weeks the trustees have been busy. Projects completed were:

- Working on making repairs to the playground fence.
- Replacing emergency light batteries
- Cleaning and changing the filter on the ice machine.
- Making repairs to the cross in the sanctuary
- Working with others to mulch around the magnolias and the maple trees
- Contracted with a tree service to remove 5 trees in the "pine grove".
- Treating weeds in the lawn and paved areas.
- Changing out some of the older battery-operated smoke detectors.

If you are interested in helping install the sail over the playground, please contact Tom Rafferty. More mulch is on site, and we could still use help mulching around the maples. *See chart at entrance.* Coming Soon—Adopt a Bed Program for people to Adopt a Garden Bed to maintain. Adopting a bed includes keeping up with weeds, fluffing up mulch, very occasional watering (*maybe*). Contact Bill Schnackel (765-490-0789) and watch for a site plan and sign up sheet.
 —Blessings to all. Church Trustees

Non-perishable Food Items Needed

The Salvation Army food pantry is seeing a greater demand for ANY non-perishable food items. (no produce please) If you are able to help donate non-perishable food, there is a bin in the foyer for donations, or you can drop off items at Regina Allman's home, 2629 17th Street. Many people have given donations to help with purchasing food items. This has been so helpful! Thank you for your giving spirit and helping those in need!

Thank You! Thank You!! Thank You!!!

To the 60+ people who assisted in serving our Lord and us together as His people during this year's Lenten and Easter Seasons.

Many served in many and various ways, assisting with Worship Services with hearts & hands & voices, helping our bodies to be fed & nourished even-as our Lord nourished us in body & heart, mind & soul, and all the other 'behind the scenes' work that was done to allow for a blessed season of hope in our Risen Christ Jesus! Please know that you are appreciated!!

Landscaping Thank You!

A big thank you to Jon & Darcy Hill and Bill & Guna Schnackel for edging, mulching and trimming 6 magnolia trees, 4 maple trees and landscaping some of the garden beds. We appreciate your hard work!

—Pastor Fitch

Huge Thank You to the Elders of Faith!

Your help with so much leading up to and during Easter, made much of my work as your Pastor lighter, as I sought to bring God's Word & Sacraments to His people! So much of what I do in seeking to care for God's people here is under-girded and bolstered by your help, care and assistance!

Re:Vitality Workshop #3

Workshop 3—"God's Provision and God's Mission" will be held today, April 26 during the Bible Study time. This time around our focus will be on taking inventory of what God has invested in our congregation, as identifying our resources will provide us important insight into His Mission for us here at Faith. We will watch a 9 minute video, spend 10 minutes looking at a case-study, and have a small-group activity before coming together as a large-group to discuss the results from the small-group activity. Please participate in this workshop, even if you haven't been to either of the previous two!

So Jesus again said to them, "Truly, truly, I say to you, I am the door of the sheep. All who came before me are thieves and robbers, but the sheep did not listen to them. I am the door. If anyone enters by me, he will be saved and will go in and out and find pasture. The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly.

Preschool Committee

At the end of the school year in May, there will be 2 positions open on the Preschool Committee. This committee works closely with the Preschool leadership, and a heart for working with children is important. If you are interested in serving on this committee, please talk with Susan Waltz.

Internet and Technology help

The church is also in need of additional people to help learn the sound board, and also help with IT for the church. If you are interested in serving as an IT person, please see Pastor Fitch.

Just Friends Wish List

Just Friends Adult Day Services is a fun place for older individuals to stay active, make new friends and learn new things. There is a full-time nursing staff, interaction with people of all ages, community trips and events, daily activities and door-to-door transportation. They have created a wish list of food and cleaning items for donation.

In the foyer, there are copies of the wish list, and a box for donations. These items help to keep Just Friends running smoothly, so any donations you are able to make will be greatly appreciated.
